CHARMS UGANDA LIMITED

Charms Uganda Limited was setup in 2004 for carrying out importation and distribution of cosmetics and food products in Uganda.

The company is part of The House of Dawda group of companies which is one of the largest manufactures of food products in the country with a wide distri

OUR VISION

The Perfect Distributor

OUR MISSION

Effectively deliver products across the country through the right distribution channels

WHAT WE DO

Key accounts include all the modern trade outlets from Hypermarkets, Chain supermarkets, Large Supermarkets and Kikuubo. Our team of Key account sales executives have excellent relationship with the trade and outlet managers which ensure smooth and steady implementations at all levels. The sales team ensures complete coverage of Key accounts channel. Our trained team of mobile and stationed merchandisers cover all the key accounts and ensure excellent shelf space and visibility at all times. Our brands share top positions in many of the product categories which reflect through our shelf share and quality of displays maintained in the modern trade outlets. Apart from these, our excellent and long standing relationship with the trade enables us to initiate speed in new product introductions and shelf placement.
